

# Arnold Palmer Invitational

Sunday, March 6, 2022

Bay Hill, Florida, USA

Bay Hill Club and Lodge

## Scottie Scheffler

### Quick Quotes

**Q. Scottie, congratulations, your second win in the last three starts. It was an emotional one. Where does this win rank for you?**

SCOTTIE SCHEFFLER: It was great. I trusted myself and Teddy as much as I have probably in any round. I did not swing the club well at all today off the tee. I was hitting a lot of bad spots, but I just kept grinding. I made some key putts towards the end and two great lie putts to finish off the round.

**Q. This course shows how difficult it is to win on the PGA TOUR. Can you describe how challenging of a match it was for you today? Your wife there.**

(Brief conversation.)

**Q. Scottie, with the win, you move to No. 1 in the FedExCup standings. What does it mean to you?**

SCOTTIE SCHEFFLER: It means a lot. I've been playing some good golf the last few years, and it's nice to get a couple wins under my belt. I'm looking forward to the rest of the season.

**Q. Scottie, unbelievable performance, gutsy on the back nine. Pars on 15 and 16 was gut check time.**

SCOTTIE SCHEFFLER: I would say the pars on 17 and 18 were gut check time too. The finishing stretch here is so brutal. 15, 17, and 18 are such hard holes. I knew it was going to be tough coming down the stretch, but just kind of hung in there all day.

**Q. I saw you hug a lady behind there. Was that your grandma you were hugging?**

SCOTTIE SCHEFFLER: My grandma's here, both my parents, and then my wife.

**Q. I met your dad here today. He's walking around here with a glow. In the media, we talk about, hey, maybe the win gets the lid off. Maybe we're right with**

**you. And part two is what does it mean to win this tournament with Arnold Palmer's name on it?**

SCOTTIE SCHEFFLER: It means a ton. It's such a great field. Such a difficult golf course. I'm very pleased with how today went. I really don't know what to say. I'm just really happy right now.
