Quick Quotes

Q. How would you assess your match today?

DUSTIN JOHNSON: It was okay. I played a lot better starting on about 7. I played solid from 7 in. Just I mean really the only 5, 5 and 6 were kind of giving those holes away, but the rest of the holes I felt like I played pretty well. Conditions weren't that easy. The wind at times it would be none and then next thing you know it's blowing 30. So it was tough to judge the wind, but felt like I did a good job and played solid other than like I said other than 4, 5 and 6.

Q. What was working so well in your game?

DUSTIN JOHNSON: Felt like I rolled it all right. I felt like I struck the ball pretty well, just gave myself some chances. The only couple chips on 12 and 13, but I've had a hard time judging chip shots coming out of the dormant Bermuda. One time it will come out spinning, one time it won't. So it's tough to judge. But other than that I birdied 14, 15, 16 to close the match out.
