### Quick Quotes

**Q. Defending champion, and you're in great shape to move into the round of 16.**

BILLY HORSCHTEL: Yeah, really good solid round of golf day. Made a few mistakes on the back side to give a couple holes away or this match probably should have been finished a little bit sooner. I haven't done anything special these first two matches, just hit some good quality shots, tried to put the pressure on my opponent, and it's nice to feel like you haven't played your best stuff yet and still win matches.

**Q. You got off to a really early lead. Did you put it in four corners or were you able to stay aggressive? At one point you led 5.**

BILLY HORSCHTEL: Yeah, I was 5-up there with seven to play, and like I said, three-putted 12 and 13, which is just really bad. But yeah, I was up early and I just kept trying to hit quality golf shots, play the way I would if I was trying to keep a score. That's what I've realized works for me in this format is really just focus on what I'm trying to do, make a score, and obviously depending on where my opponent is changes things here and there, but just did a really good job. Foch and I have done a really good job of playing golf and putting the pressure back on our opponent.
