Quick Quotes

Q. Seamus, just take us through the match. Obviously second day in a row match finishing on 14 for you.

SEAMUS POWER: Yeah, I thought it played a little trickier today. It was starting to firm up and get a little faster out there. I didn't make too many mistakes and obviously I caught Patrick on a day when he didn't play his best, so I was able to take advantage, and yeah, great to get a point.

Q. What is it about this golf course so far that seems to be gelling with your game? Is it something that fits your eye?

SEAMUS POWER: Yeah, I'm not sure. I've never played it before. I actually was saying to my caddie earlier in the week, I think the prevailing wind is the other way so a lot of guys have seen the course play the other way, whereas I've only seen it with the wind from the north, and I think that makes it a little simpler. Not as much to figure out for me. That's just a guess. I don't know. I like the course, the greens are great, and hopefully it continues the next few days.

Q. Now you have an opportunity to make it past the weekend. What's the mindset going into tomorrow?

SEAMUS POWER: Yeah, I mean, nothing changes. Obviously you're going to start every day and your plan is going to be to win that match, and you're going to do your best to do that. It's going to be the same against Keith tomorrow. Keith is a good player. I've known him a long time, and it's going to be a tough battle so hopefully I can come out on the good side of it.

Q. Was there a shot or a putt today that you felt like you really seized the momentum or you felt like changed things?

SEAMUS POWER: So around the turn I thought 11 -- even though I was 3-up at 11, I ran a 35-, 40-footer maybe six, seven feet past going up the hill and I made it coming

back down for the half. It was one of those -- I had won 10 and it didn't give him the momentum straight back. Sometimes like that, you need to make those sometimes in a match, and I was able to get that one in and I was just going to continue on and win a couple holes after that.
