## Tyrrell Hatton

### Quick Quotes

**Q. Congrats, three days in a row we've interviewed you after a win. Talk about today.**

TYRRELL HATTON: It was a hell of a pillow fight. Neither of us played great. To be fair, I feel like that finished in a half you'd have probably say it was fair. It wasn't great golf from either of us. Obviously from my side delighted that I came away with a win to obviously win the three matches and be progressing to the next stage of the tournament.

**Q. You play Seamus Power tomorrow; you've got a lot of time to rest, relax, work on the game. What about tomorrow's match?**

TYRRELL HATTON: Another tough match. Yeah, they're all hard. Obviously I hope I play a lot better than I did today. It's a shame because obviously I played nicely yesterday and thought I would get momentum, and then just today being a new day, things were slightly different and it didn't quite work out, but we ground it out when we had to, and yeah, obviously very happy to win.

**Q. The game right now, you can't quite put your finger on it, right?**

TYRRELL HATTON: Yeah, I won't be too stressed out about it. I'll go back this afternoon, have a few hazies and chill out, and we'll go again tomorrow.
