## Abraham Ancer

### Quick Quotes

**Q. Awfully impressive match for you. You got to be very pleased.**

ABRAHAM ANCER: Absolutely. Yeah, very pleased, especially, I mean, if you can save any type of energy for the afternoon. These days are very long and mentally it's tough and draining. So, yeah, very happy with my performance today.

**Q. The crowd, they are loud, they're intense. Is that an advantage in golf when you have that kind of crowd behind you?**

ABRAHAM ANCER: I mean, it definitely feels nice. It gets you pumped up and us Mexicans, we're really proud. We wish we had many more Mexicans out here. So for them to see one of us out here, it's really exciting, and I'm very thankful that a lot of people came out to support me.

**Q. The shirt and belt, colors of the Mexican flag.**

ABRAHAM ANCER: Yeah, I got to tie it all in a little bit. This is what we designed actually for the Olympics. I decided to bring it back a little bit.
