Quick Quotes

Q. Did you have a little bit of pep talk at 12 and slam that drive and start to make the comeback?

DUSTIN JOHNSON: No, I gave away too many holes. I missed too many -- I hit a lot of good putts, just was hitting the edge. Speed was -- I felt like my speed was just a little bit off. But hitting some good putts and burned a lot of the edges.

Then obviously the front nine just gave away too many holes. Had to make that putt there on 16. Hit a good putt, too. It just broke a lot more than I was thinking.

Q. All the way to the semifinals. Still have the consolation match, but what are the good things you take away from the week?

DUSTIN JOHNSON: Well, I'm playing good, so looking forward to going into Augusta. At least I feel like I'm swinging it well, hitting my putts on line.

Two things I can work on next week, so feeling really good heading into the Masters.
