Quick Quotes

Q. What has this week meant to you after all this grueling golf?

COREY CONNERS: Yeah, it was a great week, a long week. It wasn't the match I wanted to be playing in this afternoon, but nice to come out on top.

I feel like I played really solid, and I take a lot of positives from that.

Q. Heading into next week, obviously a place where you've won before, is it just resting for a couple days and getting ready again?

COREY CONNERS: Yeah, just rest for the next couple days. Definitely takes a lot out of you playing seven matches out here and some preparation.

So rest up the next couple days and try and get ready to have a good week in San Antonio.

Q. Presidents Cup points here, World Ranking points here. I think you're 12th on the international team; this should bump you up a little bit. Just some thoughts on that. I know that's been a goal of yours.

COREY CONNERS: Yeah, I've been working hard on my game. I've been trying to put some good results on the board to move up the rankings, and yeah, this is definitely a good week.

The format of match play, as well, for the Presidents Cup is definitely on my mind a little bit. I was trying to take care of business shot by shot, but it feels good to have won a few matches.
