Quick Quotes

Q. Win today 3 & 1 at 17.

BRIAN HARMAN: Yeah, game has been a mess lately. It's been a really a struggle every since LA.

So been working really hard and it's just really nice to -- you know, I felt so good on the range this morning. I prepared really well this week, and then to make that bone headed bogey on 1.

So it was nice to play really well after that.

K.H. played great. Missed couple putts, but it was nice. We both played well.

It was nice to really earn one.

Q. If you're trying to find something in your game, is this a good format then? Match play is different than trying to make the cut after two rounds on a Friday?

BRIAN HARMAN: Yeah, I mean, it could be one of two ways. Match play is about being comfortable and hitting shots, and if you're not hitting the shots, it makes it very difficult.

But just starting to feel a little more comfortable, so it was -- today was a good day. Nice to got off to a good start.
