Quick Quotes

Q. When I saw it was windy, I liked your chances this week. Wind laid down a little bit on Wednesday but you had the full effect today. Took 18 holes, but you're still in it with a 1-up win.

SEAMUS POWER: Yeah, obviously I needed that one to stay in it. I'm pretty sure Sam won right there in front of us so I knew I had to win that hole, so it was nice to sneak it in. Yeah, a lot of work to do tomorrow. Obviously Sam is a great player, so looking forward to the challenge.

Q. You defeat Sam and you're in the round of 16.

SEAMUS POWER: Is that how it works? I actually don't know if Adam is up 2 points, too --

Q. If you win, you'd both have two points, you still control your destiny no matter how you defeat Sam.

SEAMUS POWER: Okay, cool. That's kind of what you want going into the last day, so hopefully we'll be ready to go tomorrow.

Q. Heavy weather in the forecast for Friday. Make any difference to you? I saw you played magnificently in the Butterfield Bermuda.

SEAMUS POWER: Yeah, no, the wind is not going to bother me too much. Obviously we grew up playing a lot of it, but yeah, I saw there was some in the forecast tomorrow. It's the type of course you can get away with a couple of loose ones here and there, so I think it'll be a challenge, but I think it'll still be fun and very birdieable in spots.
