Quick Quotes

Q. Cam, congratulations. You kept hope alive today. Big point for you. Close it out over Tom Hoge here at 17. Close match but you threw some birdies on the card down the stretch.

CAM DAVIS: Yeah, no, I played a lot of solid golf today. Tom and I were kind of just shot for shot pretty much all day really. Wasn't too much until back nine I got a couple nice putts going in and started hitting a few a little closer.

It was just really solid golf. Keeping the bogeys off the card and plenty of birdies on it is always a good way to go in this format. Yeah, it's nice to see that. Hopefully good round tomorrow can keep things going.

But we'll see.

Q. You never know. I mentioned before we started the interview, last time I talked to you was at the Presidents Cup. You and Adam Scott had pulled out a match. Compare the formats here. Obviously Presidents Cup there is a lot of emotion and you're going to win or not win. Here you got three matches. You can tie. Still might have a chance. Do you enjoy this format?

CAM DAVIS: I love match play. It's been a long time since I really played it since I was in amateur golf, so Presidents Cup was an introduction back to it. I think a little bit of that has helped me. Just got me a little more familiar with the one-on-one format again.

Yeah, I mean, I always enjoyed it when I was playing the amateur tournaments that are all based around match play. It's very refreshing to play this format again. I hope this decides to hang around in the future.
