#### **Q. Sam, how would you kind of characterize the match and your thoughts on moving on?**

SAM BURNS: It was kind of a strange day now that it's so sunny and nice out. This morning it felt like we were in like Pebble or something. Nasty rain for the first six holes.

I think overall I played really solid. Other than one hole, I felt like I didn't really give him anything. I hit a bad iron shot on 11.

Other than that, I feel like I kept myself in it. I made a really good par putt on 8 to keep from going 2-down, then got it back to all square through nine.

Yeah, it just honestly came down to holing a couple putts there at the end. I think we both played pretty solid, and that's typically what it comes down to.

#### **Q. How big are some of those kind of momentum putts? Like you just talked about not going 2-down, staying within one hole. How big with those putts during a match?**

SAM BURNS: It's huge. I missed that putt on 8, and all of a sudden he's 2-up and has a little momentum. It's harder for me to get back.

Yeah, those putts, saving those is always nice for sure.

#### **Q. What do you feel like you've done the best over these first three days that you want to obviously carry into tomorrow?**

SAM BURNS: I think, especially with the way the golf course has played, just trying to minimize the mistakes. And I feel like we've done a pretty good job of that so far. A couple here and there I wish I could have back.

I think just keeping myself in it and giving myself a chance with my putter.
