Quick Quotes

Q. You got off to a hot start, just not able to maintain it the rest of the match, I guess?

JASON DAY: No, I just gave him too many cheap ones. It's not that I didn't maintain it. You just miss -- give him an easy one with a hazard ball on the 3rd hole.

8, you hit it in the middle of the green and it's going to be very difficult to birdie that hole. So they're two easy ones on the front side that I -- once again, if I would have just putted a little bit better maybe I would have come away with a different result today.

But I mean, I think overall it's some good stuff. I've just got to kind of -- gives me an understanding of what I need to work on going into Augusta.

Q. We knew that already, but it's official now, you'll be off to the Masters by your World Ranking. Excited to be back?

JASON DAY: Yeah, I am excited to be back. The game is looking nice. There's still some stuff swing-wise that pops in every now and then, like the wedge shot on 14 that -- it's just in between patterns. I've just got to kind of work out those kinks. I feel happy with where I'm at. I've got a week off coming up now, and then get in probably Friday and prepare then.

Q. Obviously you got a little treatment at 8, 9, et cetera. That was allergies or vertigo or a little bit of light-headedness?

JASON DAY: It was just allergies, yeah.

Q. Once you got your pill it cleared up?

JASON DAY: Yeah. Yeah, all good.
