Quick Quotes

Q. Cameron, closing it out here at the 18th against Kitayama. How were you able to maintain such a high level of golf on this marathon type day of match play?

CAMERON YOUNG: I've been playing some really solid golf. We made great decisions, I think, throughout the day, and I made a bunch of committed golf swings. There was one mistake on the back on 11 and it ended up two inches, which is just the stuff that you need to happen to you on a day like today to keep going.

But Kurt played great. I think we were both 6-under par, and the golf course was much more difficult this afternoon, so I was proud of the golf I played, and happy to be playing again this afternoon.

Q. The next guy in line is Rory McIlroy. How do you feel about playing Rory?

CAMERON YOUNG: I think it'll be fun. Someone I've obviously watched play a lot. I don't think I've ever played competitively with him, but I've played a couple practice rounds, and he's been great to me since I've been out here.

I think obviously there's two different levels of names there kind of as far as fan familiarity, but I think I'll be pretty comfortable, and I'm looking forward to getting to watch him play.
