Quick Quotes

Q. You guys put on a show today. You had that early lead. I thought you might steamroll him, but that wasn't going to happen. You finally closed it out, but it took 21 holes.

SAM BURNS: Yeah, just overall a really good match, I think. It was nice getting off to a great start there. I knew Scottie would battle back. Yeah, I don't know what else to say, to be honest.

Q. It seemed like you maybe got lost your rhythm there maybe midway through the round, but you hit some good iron shots coming home.

SAM BURNS: Yeah, I did. I struggled midway through the round. But just was able to battle back and kept myself in it and you know at the end of the day it came down to making putts.

Q. And you did, and you got Cameron Young in the championship match. Your thoughts on Cam?

SAM BURNS: I'm excited. I'm looking forward to the chance. He's been playing really, really well all week. And look forward to the challenge.
