TV Quick Quotes

Q. Describe this moment.

CHRIS KIRK: I can't yet. I just have so much to be thankful for. I'm so grateful. I'm so grateful for my sobriety. I'm so grateful for my family. I'm so grateful for everyone that's supported me throughout the past three or four years especially. Thank you so much.

My wife Tahnee, I have not been the easiest person to be married to always, and my boys, Sawyer, Foster, Wilder, love you guys so much. Can't wait to see you.

Q. You've spoken about your form this season, two top 3 finishes already at the Sony and the American Express. How much did you draw on those performances this week?

CHRIS KIRK: I definitely did. I mean, I was obviously very, very nervous today having not won in so long. Coming down the stretch, I felt good. Obviously that putt on 16 was huge and was in a great position on 18, just made a bad swing at the wrong time. I was trying to stay aggressive and hit it in the middle of the green, but in hindsight probably would have been better to hit it over there left somewhere. But thank God it worked out.
