Quick Quotes

Q. Kevin, just take us through the day today.

KEVIN YU: It was a solid day today. Obviously I didn't make a lot of putts today. Just hitting the ball pretty nicely. I just missed a lot of putts. I'll work on my putting right now and hopefully get it going tomorrow.

Q. What would you be hoping for tomorrow weather-wise tomorrow? Would you like to see it blow or would you like to see it still?

KEVIN YU: Kind of a mix. I feel like the wind is a little bit more challenging out there, so maybe a little more wind. But still not crazy wind. That's the weather I'd be looking for.

Q. You've been in the mix for some of these AON Swing 5 and Next 10 things. How much have you been paying attention to that?

KEVIN YU: Definitely paying attention a little bit. Definitely out there not thinking that much, just trying to play my golf, but that's definitely a thing that I've been keeping eyes on it. Hopefully have a good result tomorrow heading into next week.
