## Bernhard Langer

### Quick Quotes

**Q. After an early double bogey, you kind of steadied the ship. Can you talk about that a little bit?**

BERNHARD LANGER: Yeah, really didn't hit a bad shot, it just went five yards too far and went over the green, had nothing out of the pine needles, and ended up going back and forth. With a pitching wedge in my hand, I make double bogey from the fairway. Not great, so disappointing there, but played solid golf after that, and for the most part very steady and good.

**Q. Thoughts on your position going into the final round?**

BERNHARD LANGER: Yeah, I haven't really seen the leaderboard, the final leaderboard, so I think it's pretty bunched up if I'm correct. What's leading, 12?

**Q. Yeah, 12, Carlson and Freddy.**

BERNHARD LANGER: Two on 12 and a bunch on 11 and 10, so everything is wide open, so it just depends who is hot tomorrow. Good position to go into the final round.
