## Rob Labritz

### Quick Quotes

**Q. Okay, Rob, so 70 today. Kept moving in the right direction all week. Just your assessment on the day today.**

ROB LABRITZ: Day was great. You know, again, got to play with two legends, which was awesome. You know, I got better as the rounds went on. Made a few putts early.

And then the 18th hole just kind of grabbed me, and so did 17 again. But played solid. I'm excited to go into my next Tucson event next week. We'll tighten up the shots a little more, we'll tighten up the putting a little bit. Unfortunately not going to have these guys with me.

Yeah, I played good. Any time I'm under par for three rounds I'm excited.

**Q. Did the whole experience live up to your dream?**

ROB LABRITZ: The whole experience did live up to my dream. I got to play with all sorts of great players out here. I got to meet a bunch of guys. I played with a former Masters champ today. Rocco is just a stud earlier in the week. I had great parings with Michael Bradley, Tommy Tolles, just great guys. So fun being out here and my game is showing some promise. So we'll be trucking away and we're going to go have our first victory here soon.
