## Duffy Waldorf

### Quick Quotes

**Q. Off to a great start, eight birdies and just the one bogey. Just a few comments about the day.**

DUFFY WALDORF: Well, it was obviously a little bit of a surprise. I find this a pretty challenging course. But I drove the ball well today, kept it to the fairway, and I think that really led to some good scoring opportunities. I had quite a few wedges in my hand and I was able to take advantage of them. I think that's when my birdies -- I hit wedges close, then the rest of the holes I was able to make pars on, stay out of trouble.

Obviously real solid round. A lot of good approach shots for me today that led to all those birdies.

**Q. How have you been feeling with your game coming into the week? Have you been feeling pretty positive?**

DUFFY WALDORF: I had a pretty good week last week in Morocco; I was pleased with that. But honestly, it's just been cold. I've been back -- even in Los Angeles it's been cold, and I haven't played a lot. It's just nice to get some warm weather, and I just kind of felt my swing today and not felt cold weather.
