Quick Quotes

Q. 63 today. We'll open it up with some comments about the third round today.

MATTHEW NeSMITH: We played great. I didn't hit a very good tee shot on No. 1. I don't think Taylor hit it very good either. Walked away with 3 and got our mojo going.

We got off to a nice start. We've been lucky the last three days to get off to a good start, and I think we played some really solid golf. Pieced some things together, made some putts when we needed to. It's just been really solid.

Q. You mentioned earlier your games are similar. What about your game is similar and complements each other?

TAYLOR MOORE: I think we both hit it really solid. We do a good job of driving the ball on the fairway and hit as many greens as possible.

I think that's the key for us, not only in our own games, but this week in a different format. I think we do a good job of that and just giving ourselves as many opportunities as we can.

MATTHEW NeSMITH: Absolutely.

Q. Taylor, you already got that win under your belt this year. What would a second one mean? Matt, for you, a chance to get that first W.

MATTHEW NeSMITH: I got to watch Taylor do it when I was at home, and my heart was through the roof. I couldn't hardly watch him down the last few holes. So I was really excited for him. I feel very comfortable knowing that we've got somebody who's been there and done that in the last few groups, not even six weeks ago.

TAYLOR MOORE: Right.

MATTHEW NeSMITH: Very comfortable with where he's

at. It makes me feel very comfortable.

TAYLOR MOORE: I think we're just really excited for the opportunity. We had a good week here last year, and to kind of be in a similar position going into Sunday, I think we're both really looking forward to it.

Just going to go play our games and try to execute the best we can.

MATTHEW NeSMITH: Absolutely.
