### Quick Quotes

**Q. One stroke lead heading into the final round. What are your thoughts playing in that final group tomorrow and Sunday?**

BEAU HOSSLER: I think we're looking forward to it. Obviously it's playing with, I believe Keith and Sungjae, if I'm not mistaken. Is that right?

**Q. Yes.**

BEAU HOSSLER: I think we're all pretty close friends. It will be a good group of players and caddies. We're looking forward to the challenge.

It's going to be a cool environment and a unique experience frankly to have a chance to win a golf tournament with a partner, something that I have not had a chance to do. I know Wyndham has here in the past. So it will be a nice little Sunday for us.

**Q. Kind of spoke about it earlier. How nice is it to be, when you're in contention tomorrow, but having a partner to be playing with to kind of depend on with those nerves?**

WYNDHAM CLARK: I just think it lightens the mood. Sometimes when you're alone, it feels like you're out on an island. When the momentum gets going bad, when you're on your own, sometimes it's tough to turn that.

With a teammate, you you can kind of feed off each other and really not allow that momentum to get going in the wrong direction. So I hope tomorrow we're light and loose like we've been all three days.

If the momentum goes in our direction, I hope we just keep riding it. I think it will be great.

**Q. What was the highlight of the round for each of you today?**

BEAU HOSSLER: I was struggling with this. I need some time to process the round. I don't remember that many shots.

We birdied No. 6 again, which I think is pretty rare. That's a difficult hole. Wyndham hit a great putt, left it just short, and I was able to make one on a very similar line. I think that kind of gave us a little momentum into some scorable holes that kind of kicked us off going the right direction.

WYNDHAM CLARK: Yeah, that was a good one. Then I thought on the back, 13 maybe or 12 -- 12. Beau had about a 10-footer for par, and then I had about a 25, 30-footer for birdie, and I made that.

BEAU HOSSLER: That's a tough hole.

WYNDHAM CLARK: Yeah, that's a tough hole, and we kind of snagged one. So I thought that was kind of big because we just birdied three in a row, and that was a huge momentum for the back nine.

**Q. Wyndham, do you take care of dinner plans tonight?**

WYNDHAM CLARK: Yeah, we've got one more spot. We're doing sushi. We'll see how it is in New Orleans. We're switching it up. We've been doing everything but kind of Asian, so we're going that route.

**Q. Do you guys have a feeling for why you haven't had a win yet?**

BEAU HOSSLER: It's hard.

WYNDHAM CLARK: Yeah.

BEAU HOSSLER: It's really hard. Honestly, every player out here, the depth on this TOUR is really, really good. Frankly, getting yourself in position to win a golf tournament is difficult, and closing the deal is really hard.

I think the more opportunities you get, the more comfortable you get, and hopefully we can lean on that tomorrow.

WYNDHAM CLARK: Ditto that.
