## Taylor Pendrith Corey Conners

Press Conference

**Q. Can you talk about the round today? Finished off with a nice birdie there.**

TAYLOR PENDRITH: Conditions were hard, but we hit some good shots and were able to make some birdies. Yeah, it was tricky.

Cory hit the ball pretty nicely, and he had a lot of long irons and didn't leave me in too many difficult positions. I was able to hit a couple of wedges close, but overall I think we managed it pretty well. Nice to finish with a birdie.

COREY CONNERS: Yeah, it's a unique format, the alternate shot. We had a lot of fun out there. I think we both stayed in the game from the get-go.

Yeah, it was fun. Taylor hit a couple of really nice wedge shots early in the round to get us a couple of nice birdies, and yeah, I think we managed things pretty well.

Didn't have a ton of stress out there. It would have been nice to get a few more to go, but the course was tricky, and happy with our round.

**Q. What do you think complements each other from each other's game to make -- you guys are T5 right now and are in a great place heading into the weekend. What worked so well?**

TAYLOR PENDRITH: I think Cory hits the ball very consistent, and I've been driving it pretty nicely this week. I left him a couple stressful three-, four-footers in the round, but it's a tricky format.

I think keep doing what we're doing, and hopefully make some birdies.

COREY CONNERS: I think both of our games are fairly well-rounded. Keep things simple. Taylor has been driving it great. Yeah, just trying to give him some birdie looks so we can get the putter hot.

**Q. What's the game plan heading into the weekend?**

COREY CONNERS: I think tomorrow trying to make a bunch of birdies again. Back to playing our own ball. Going to need a low one to keep climbing up the leaderboard. Yeah, it will be fun. Looking forward to the challenge.
