Quick Quotes

Q. Another solid round. Another top-10 finish for the season. What was clicking today?

CAMERON TRINGALE: I putted well and I just managed my game really well. I really only got out of position maybe twice all week and so I just left myself as easy chips and putts as I could and I felt like I played solid, but really just kept the mistakes out of my game and added up to a pretty good week.

Q. I heard you mention earlier about your putting. What was clicking with that? You said putting's feeling strong lately.

CAMERON TRINGALE: Yeah, I don't really have an answer for you, except my speed's just been really good and I've been trusting my reads. I think it's easy to second guess out here. At least this week I tried to just not over think anything and it worked out.

Q. What's coming up next on the schedule?

CAMERON TRINGALE: I'm playing in Charlotte next week at the Wells Fargo and then I'll have a break before the PGA Championship.

Q. Were you aware of how close you were to becoming the all-time money winner without a victory?

CAMERON TRINGALE: No.
