Quick Quotes

Q. You found a way to get a good score out of it today.

BROOKS KOEPKA: Yeah, to be honest with you I thought it was probably the worst score I could have shot. It's been a trend, not getting the best out of my rounds, just kind of getting the worst out of 'em.

Two par-5s right there and par them.

Poor bogey on 9.

So I'm playing great, it's just kind of frustrating because I'm not getting the scores that I want.

Q. What does this golf course present for these guys that are getting on to it right now. You could play it aggressively when you played today, but with the new wind does it lend itself to still being aggressive out here today?

BROOKS KOEPKA: Yes, because I think the pin positions aren't very tough, if I'm honest. I think some of the pin locations are kind of center of the green.

Like 10, I was surprised how easy that pin location was.

No. 2, you got 10 over or it's 10 in front of the false front and then 12 to the back. It's kind of in the center.

And I was just actually talking to a couple guys about it, so I found, I found it kind of odd. It's definitely gettable today, which is, it's kind of weird.
