Q. Tell us about your round today and what was going well for you.

SEAMUS POWER: Did everything pretty well today, to be honest. Very pleased. It's a tough golf course, tricky conditions. It wasn't the quickest start. Didn't birdie 1 or didn't birdie 5, but was able to hang in there, hit some good shots. Eventually holed a good putt there on 15 to kind of feel a little better. But, yeah, looking forward to tomorrow.

Q. What's the biggest part of this test today?

SEAMUS POWER: I think it's everything. I think that's what makes it such a good golf course. You got to drive it well, it's difficult when you're not in the fairways. I think they're going two balls tomorrow, so maybe some guys that get out early will have a chance to post something. So we'll see. Anything can happen, depends on conditions obviously as well.

Q. As you look at your week, what have you done exceptional this week?

SEAMUS POWER: I think it's just been pretty solid across the board. I'll look at the stats again after today, but through two rounds it's like pretty steady, there was no major weaknesses. And, yeah, just maybe a couple more putts drop in today, but I hit a lot of good putts, which was cool, a lot of good speed putts, so maybe some of those
