Quick Quotes

Q. Talking about your second round, kind of a lot of up and downs to start the day. Then really settled down on the back nine. Just talk about the second round.

HIDEKI MATSUYAMA: The front nine was a little spotty. Made some birdies, but like you said, a lot of bogeys.

The back nine though I started hitting the ball really well, gave myself lots of chances, and just didn't convert.

Q. Talking about course conditions, how it differs from today playing this morning versus yesterday in the afternoon?

HIDEKI MATSUYAMA: The wind started picking up and that made the course a lot more difficult than it was yesterday.

Q. And couple rounds under your belt here at the course. What are the takeaways you've seen throughout the week?

HIDEKI MATSUYAMA: Hopefully I'll make the cut and make lots of birdie this weekend.
