Q. Alex, nice bogey-free 64 today. What was working so well for you?

ALEX NOREN: Most of the stuff was working pretty good. You know, it was just a nice day. You know, I thought it was going to be a -- it was a lot windier than yesterday. We played early yesterday morning. It was nice, no wind, and today I putted well. Got it going, and so did the other guys in my group, and it helps.

Q. What parts of this golf course bring out the strengths in your game?

ALEX NOREN: I mean, the fairways are wider which I like, so I've never hit so many fairways I think. I'm not always the straightest so this helps.

Playing from the fairway a lot helps. I played the par-5s nice this week I think, so -- and the putting has been there, so it's been a good week so far, yeah.

Q. Your game has been consistent over the last month or so.

ALEX NOREN: Yeah.

Q. But as far as results are concerned, this is pretty high spot on the leaderboard for you for the first time in a while.

ALEX NOREN: Yeah.

Q. What kind of things are you looking forward to this weekend?

ALEX NOREN: I'm just going to play like I have been the first two and do the same stuff and see what I shoot.

But I'm not trying to shoot a score. I'm just trying to hit every shot like I want to and see what happens in the end. But I'm going to fight, and it's nice to play two good rounds like this. Yeah, definitely.
