## Rafa Cabrera Bello

### Quick Quotes

**Q. Rafa, nice day out there. Just get some comments on your play.**

RAFA CABRERA BELLO: Thank you. Yeah, it was good day. Obviously was tricky with the wind, but I felt I played really good golf again.

It was nice to get off to a strong start from the beginning which is kind of something that I felt I needed, then I tried to keep the momentum going for as long as I could.

And glad to finish with a birdie.

**Q. Looking forward to some wind hopefully this afternoon so those leaders don't get too far ahead?**

RAFA CABRERA BELLO: Yeah, I mean, I did all I could this morning. I would've liked to finish couple shots better if anything, but I'm I think 6-under. If I shot 6-under every day I would be doing pretty good.

So that's -- I mean, I don't want wish any bad luck, it's just don't get too far ahead.
