## Alex Noren

### Quick Quotes

**Q. Alex, just talk about your round today and how things went for you.**

ALEX NOREN: Yeah, I mean, it was not as clean as the first two rounds. Obviously you can see that on the scorecard, too. Hit a lot of good shots; hit a few bad shots; got away with a few when I was putting pretty good.

Overall if it I would've shot 4-under would be really pleased with my day.

**Q. What kind of things are you going to draw upon going into the final round tomorrow, especially with the conditions being a little iffy?**

ALEX NOREN: Yeah, like this course right now is a little bit firmer coming into the greens. Few pins are tougher to get to. Overall, I don't know. I mean, you just try to play good, hit the fairways.

Today I missed so many fairways and they're pretty good, but you miss and it's tough from the rough. It's tough from the bunkers or the rough. Very tough all of a sudden and from the fairways somewhat easy.

So you just got to hit it -- drive it straight and you got a chance at this course.
