Quick Quotes

Q. Just comments on your final round, what was the difference today for you?

SEBASTIAN MUNOZ: I feel like I played good golf. The putter didn't let me down, I just didn't make 'em. My focus probably wasn't right on the first six holes, after that I made a couple putts and on 8 and 10 and kind of got the round going a little bit more. But all of this is good, it's a learning experience, it's still dealing with this situation I felt like I held my own really good. I had the target on my head since day one, so I feel like I did a great job this week and building forward to more tournaments coming up.

Q. One big one next week. How much encouragement did this week give you going into a major?

SEBASTIAN MUNOZ: Yeah, I mean it confirmed what I've been knowing and getting to, that is that I have enough golf to compete out here to win tournaments, to do all this cool stuff that I've been doing, so it's just confirmation basically and I feel good. I just got to keep believing and keep learning and hopefully one day it will pay off.
