## David Micheluzzi

### Quick Quotes

**Q. Just initial thoughts and reactions that you're advancing to the weekend?**

DAVID MICHELUZZI: There's a lot of people that are happy with me. I can tell. There was one in my group and a whole lot of people at 4-under which are very happy with me. But I made it very tough on myself. I short-sided myself three times on the back nine there with those three bogeys. I hit good putts, they just didn't drop. One of one; I'll take it. I'm happy.

**Q. You have made your first cut on the PGA TOUR and you kind of have that heading into the weekend and also next week at the PGA Championship. Talk about that and where your head is at right now.**

DAVID MICHELUZZI: Yeah, I'm playing good. It didn't really reflect it on the last nine holes. I feel like I'm playing really solid, just need to fix up the little things, just maybe a bit of stuff under pressure and a bit of wind stuff and taking my time a little bit.

But I had a look at the course last night at Oak Hill. It looks unbelievable. You've got to keep it on the fairway. That's one of my strengths, but it was terrible today, so I'll work on it. I'm looking forward to next week, and I'm also very looking forward to the weekend.

**Q. Pre-tournament you talked about it would be kind of a win making it to the weekend. Now that you have, what's the next set of goals?**

DAVID MICHELUZZI: Have the lowest 36 on the weekend. Just try and shoot -- don't have to go at everything, but just played good, solid golf. I played very solid yesterday for six and kind of had a little stretch there. But I think if I just hit fairways and greens -- my putting feels like it's getting better and better each day. Yeah, I think just stay in the present and just do what I do, really.
