Scottie Scheffler

Quick Quotes

Q. Scottie Scheffler, the hometown favorite. We've been hearing the cheers for you all week. What's your biggest takeaway from this week?

SCOTTIE SCHEFFLER: Yeah, I feel like I played solid. The things that I wanted to improve on over the last three weeks, I feel like I did a good job. I hit a lot of good putts this week. I think I struggled a little bit with the speed of the greens. I didn't swing it my best this weekend, but I'm sure that'll be an easy fix going into next week.

Q. What kind of confidence can you take from the fact that you say you don't have your best but you're still firing off a bogey-free 65 like you did today and very much putting yourself in the mix all week?

SCOTTIE SCHEFFLER: Yeah, my short game was good again today. I was out of position a couple times during the round, so my short game kept me in it, but around this place you've just got to get so many looks, and I wasn't able to give myself enough, and then I wasn't able to make those putts from long range to have a great round today.
