Quick Quotes

Q. Chesson, great week for you all in all. Where was your head sort of the last three holes, and where did you start to sort of --

CHESSON HADLEY: It was a good week. If I had shot 75 the first round and then 65, 66, 68, I'd be tickled. But this one -- you know, it sucks, right? I can only imagine what it looked like on TV because it looked freakin' awful from my view. I mean, I could barely keep it on the planet. That 8 iron from the fairway on that last hole is inexcusable.

I just didn't have it today. It was bad and got to do better, and I will. Just got to keep after it.

Q. Fighting through it like that on a day when you don't really have it, though, it's got to feel -- it's hard to take a step back right now, but you know it's got to feel good to at least be back in the mix, back in contention?

CHESSON HADLEY: Yeah, it certainly was. I was uncomfortable out there, and I could never really hit some good shots to try to settle me down. I hit some good shots on No. 8, and I missed a very easy birdie putt, and I just was always grinding today. It was always an uphill battle. It was always putting for pars and bogeys. It caught up with me.

I hit it in the fairway on 15 and hit a wedge in the bunker and did an amazing job to get that up and down. 16, 17, 18 are generous. They played much harder today because of the wind direction, and I just -- I obviously -- I hate the word choked. That's not the right word because that's a very negative word, but I didn't handle it the way I needed to handle it. So we'll go get them next time.

Q. On to Travelers next? Is that the next one for you?

CHESSON HADLEY: Yeah, I was planning on kind of doing my thing today, and I might not have showed up until the Wyndham, but I've got to go keep after it. I made a

nice jump today in the FedExCup, but I still probably need to just get some more points if I'm going to head on to Liberty National.

Plenty of golf left to see if we can't get in the mix a few more times and maybe seal the deal on one.
