Quick Quotes

Q. We're here with Joe Pavelski after Round 2 Saturday. Heck of a round. Tell us about it.

JOE PAVELSKI: Yeah, came into today, I did not drive the ball good yesterday, so that was the main thought, try to find a few more fairways, a few more looks. Got off to a good start, so that felt a little bit better. And a few putts were going in too.

Q. So what holes did you roll them in on?

JOE PAVELSKI: I finished strong with 15, 16, and 18. I birdied 4, 4 and 5. There were some bad ones in there too.

Q. That's all right. So going into tomorrow, how are you feeling about your chances?

JOE PAVELSKI: We'll see how it shapes up here. These guys coming in, there are still few holes that these guys can get at. So just happy to kind of put my name back in there and kind of stay connected to those leaders a little bit, and you never know.

Q. The hockey guys have done okay, leading after the first round, you're in the hunt today?

JOE PAVELSKI: Yeah, it was awesome to see Osh get out there and do it. Like super pumped for him. I know he brought his old clubs out from I think he said eight years ago. So it was good to see him strike it good.
