Quick Quotes

Q. 38 points. Walk me through your round today. So you finished with three straight birdies. So that's got to give you positive momentum going into tomorrow?

ADAM THIELEN: Yeah, definitely feels good. I feel like I lost some gas in the middle of the round, I feel like I do every year out here. But so I was struggling a little bit, and I knew I had to finish strong to have any chance.

So it was good. It felt good to make some putts and finish the round.

Q. So tell me what -- is there anything you'd be working on tomorrow, or is it relaxing this afternoon?

ADAM THIELEN: Yes, I'm working on my wedges. I got some issues with my wedge, I've been skulling my wedges, and I've had a couple doubles because of it.

Q. Tell me, so the fans here, so this is the first year back and with fans back. Tell me about the atmosphere out here today?

ADAM THIELEN: It's unbelievable. It's just so good to have a full crowd here. And this tournament is so special. There's nothing better. It's such a special event. And then these fans make it. When they come out to watch a bunch of guys that can't play golf, that's pretty cool.
