Quick Quotes

Q. 62 points. 4-under today. Tell me about the round today, and then coming up 18 and your birdie on 18.

JOE PAVELSKI: I hit it really good right from the start. Had some luck, actually rolled some good putts that I thought were going in. So I was around it all day. Finally got a couple, I made 9 and going, and I guess the one little mistake with the bogey there was on 15. Just missed it a little bit right and caught behind a tree.

So just hung in there. Missed a couple coming in, but got the one on 18 and just put a little pressure on these guys.
