## Dell Curry

### Quick Quotes

**Q. You guys are doing pretty good representing the missing champion this year.**

DELL CURRY: We are. Steph's last words before he took off, "You guys represent, play well." He's been locked into the round, the scores all day. I'm proud of Seth. Seth played well. I think I gave him way too many points. I've got to pick my game up.

**Q. What's the bet this year? Or are you guys holding it in?**

DELL CURRY: Steph and the caddie have the belt. In order to get the belt away from them, I've got to score 50 more points and finish in the top 15. Seth has to score 20 or more points, finish in the top 35. He's well on his way to victory right now. So we'll see.

**Q. So what kind of message do you have for Steph?**

DELL CURRY: Stay locked in. He Facetimed us on the hole out there. Stay locked in, stay focused, try to represent well, and just keep playing good.

**Q. You keep playing better every year. Your game's improving, and Seth played the best round he's ever played here. So the Currys are taking some lessons, I think.**

DELL CURRY: I'm playing a lot of golf. So my game should be a little better. But it's not about ball striking, it's about putting for me. Missed an easy one at 18. I have to knock those in in order to get to where I want to be.
