## Cam Davis

### Quick Quotes

**Q. What's it like not knowing exactly where you are or where things will end up?**

CAM DAVIS: I've done it every year for the last three years. I feel like I'm constantly in this position where you've had a good season but still a little low missing next year, which doesn't feel right, and it's extra frustrating right now that I finished the way I did after playing the way I did all the way up until that point.

**Q. Walk us through the second shot on 18. What happened?**

CAM DAVIS: I was on the path. The ball was above my feet. I played the wind into, and I should have played it off the right. Felt myself tug it left, but I should have been aiming a bit further right.

**Q. Can you walk us through what was going through your mind on the bogey putt?**

CAM DAVIS: I'm just trying to make a putt. Nothing else.

**Q. Did you know what was at stake there or what your relative position was?**

CAM DAVIS: I had a feeling if I parred the last I would have been fine.
