Quick Quotes

Q. Davis, finishing like that, birdieing the last two, is that momentum you can maybe bring into tomorrow with you?

DAVIS THOMPSON: Yeah, I hope so. Was getting kind of frustrated out there, just kind of hit a lull. Wasn't playing bad, just wasn't making anything. Was really nice to see some putts go in coming in, and like you said, hopefully take that into tomorrow.

Q. You've been in a situation like this before coming down the stretch on a Sunday on TOUR. Looking back at Amex last year, is that something you can kind of bring with you experience-wise into tomorrow?

DAVIS THOMPSON: Yeah, for sure. You've just got to be patient, be smart, and just take aggressive shots when you can. It looks like the lead is probably going to be 16, 17 or 18. Yeah, I'll probably just see if I can get off to a good start and keep it rolling and see what happens.
