THE MODERATOR: Questions, please.

Q. What do you think about Reilly Opelka? That's who you play next.

LORENZO MUSETTI: I mean, for me it's gonna be the first time playing against him. I just know that he serves so good and he's so tall. I will try to return as best as I can and try to focus on my service game.

Q. What is it about Rome that suits you so well? You have done so well here. Obviously you're Italian, but what is it about Rome that suits you even when there is no fans?

LORENZO MUSETTI: Yeah, well, I mean, it's always incredible playing here in Rome. It's a fantastic site here in Foro Italico. Even without crowd, tonight was really fun.
