THE MODERATOR: Questions, please.

Q. How did it feel to make the first appearance and have the wild card, playing today?

MARTINA TREVISAN: Bad day today. I feel so lucky to got the wild card. I gave everything on court. But today wasn't good for me. Tomorrow is a new day. We will see.

Q. How has Roland Garros last year changed how you feel? Does it change your mentality?

MARTINA TREVISAN: Last year was amazing tournament for me. This year it's not started in a good way from the results. But I'm collecting a lot of experience. I think I need more experience to play in this court. Nothing. Tomorrow will be another day. I keep working, nothing else.

Q. How do you feel about going back to Roland Garros?

MARTINA TREVISAN: It's a special thing. I'm looking forward to come back in Paris where I have a lot of good memories, maybe could help me. I keep working. That's the only thing I will do. Today I'm really disappointed, but I will keep working for sure.
