THE MODERATOR: Questions.

**Q. Congratulations. I was out there in the stands for your match. It was tricky in the tiebreaker. How did you feel when he saved those match points? Kind of the Dutch crowd was a bit more for him. How did you manage your emotions to get through that match?**

SEBASTIAN BAEZ: First, hi. Thank you (smiling).

In the second set I have a lot of chances, two match points, one with my serve. In that moment I was so nervous. But the crowd maybe in that moment help more Griekspoor than me. Sometimes happens, the crowd as well is go with him, and for me for the good points.

The start the third set, maybe I was little bit down, like him. Every point is going around, I feel better. For that reason I get the match today.
