THE MODERATOR: A few questions for Novak today.
Anyone?

Q. I was talking to a lot of Dutch Djokovic fans. One of them said to me, If I had to describe Novak, I would say (Serbian phrase). He said, He really bites through. Can you describe what (Serbian phrase) means and do you agree.

NOVAK DJOKOVIC: There is no word in English for that. I would say if I have to pick one, it would be probably 'resilience' that can be compared to (Serbian phrase). Yeah, resilience (smiling).
