## Pablo Carreno Busta

Press Conference

P. CARRENO BUSTA/J. Struff

7-6, 6-2

THE MODERATOR: Questions, please.

**Q. You're through now to the third round. You played two matches back-to-back days. Can you talk us through your win over Jan-Lennard Struff this evening, what went well for you, why you think you're playing so well this week?**

PABLO CARRENO BUSTA: Well, after the win yesterday, I didn't have much time to recover, but my confidence was very high today.

I was serving really good, but I think the key was the first and the second balls after return and after serve. I think that I played very aggressive these balls, and I make a lot of winners from everywhere. I'm happy for the victory, because Jan on this surface is a really tough guy.

Thinking in the third round I have opportunity to be in quarterfinal, so I would like to take advantage of.

**Q. Do you like your chances going forward the rest of this week?**

PABLO CARRENO BUSTA: Yeah, why not? I'm playing good. I'm playing with a lot of confidence now. And I told you yesterday that probably the last two weeks I didn't feel comfortable on court, I play sometimes good, sometimes bad. Performance was not very good.

But yesterday and today I feel really comfortable and that's the important thing.
