THE MODERATOR: Questions in English.

Q. Tough luck today. I was just wondering, what are your biggest takeaways at your first experience at the ATP Finals?

HUBERT HURKACZ: I mean, definitely a lot of experience. You know, definitely I want to be back here and compete in a better level, because I know I can play better than I was playing this week. So definitely that.

Q. What do you think made it difficult for you to find your best level this week?

HUBERT HURKACZ: Well, I think started well. Then just didn't play good enough. Didn't play good enough this week. So, you know, sometimes it happens.

Q. You have had a great season overall. What are your reflections on the year?

HUBERT HURKACZ: Yeah, I mean, I think it was great, a great season. I learned a lot. So that's very big for me, the improvement that I made and also like the opportunities, you know, to be here, to compete here, and also like learning what I need to work on. Nice to still have a lot of things to improve in my game. Definitely that.

Q. What are some of the things that you'd like to focus on during offseason? What do you want to work on the most?

HUBERT HURKACZ: Actually, I wasn't thinking about that at that moment. You know, definitely my return can get better. My forehand. Definitely those things.

Yeah, I mean, didn't speak with my coach yet about it.
