## Carlos Alcaraz

Mixed Zone Interview

C. ALCARAZ/M. Kecmanovic

6-7, 6-3, 7-6

**Q. It was really loud in there, right? Did you get goosebumps at any time during that match?**

CARLOS ALCARAZ: Yes, of course. I mean, it was a pretty close match. I think the atmosphere that I lived today and this match was unbelievable. I think the best atmosphere that I have lived on these courts, for sure. It was amazing.

I mean, I enjoyed the match, even if it was really close and tough match. Yeah, it was pretty good match.

**Q. You said you loved Miami at the end there. How does that crowd compare to other crowds you have played in front of?**

CARLOS ALCARAZ: I think that I'm playing in Spain. It's unbelievable. I mean, the energy that they push to me, it was crazy. And, yeah, I think without them it would not be possible to get into the semifinal today.

**Q. You spent a lot of time signing autographs. After you cooled down, you went over and took a picture and gave a wristband to a kid standing in the corner. How important are the fans to you to do that kind of thing?**

CARLOS ALCARAZ: Yeah, I think outside is pretty important, as well. I'm a close person, friendly, as well. If I want player, some athlete sign me, I mean, the same.

You know, the people want a signature from me is amazing. You know, young, and as I said, friendly person, so I do whatever they want.
