Jannik Sinner

Press Conference

J. SINNER/L. Djere

6-3, 6-3

THE MODERATOR: We saw you practiced a little bit after the match. What did you go over?

JANNIK SINNER: Just trying to improve a little bit my volleys, serve, couple of slice. Yeah, part of my routine when I know that tomorrow I have doubles only, so I had time today. It's not late. Yeah, just practiced.

Q. I see you signed up for both singles and doubles with Korda. How do you manage the schedule playing singles and doubles at the same time?

JANNIK SINNER: Well, yesterday or two days ago we knew we have doubles Sunday. We both play the same day singles because him also is top half. I mean, unfortunately for Sebe because I saw the match. It's a tough loss. But I think he knows better than me how to handle the situation. Everyone is different.

I mean, tomorrow we try doubles. We have a tough draw there, but we try. Yeah, also Miami I play doubles with Opelka. We know us very well. I played with him already.

Yeah, just trying to enjoy also in doubles.
