Caroline Garcia

Press Conference

C. GARCIA/L. Fernandez

6-4, 6-7, 6-1

THE MODERATOR: Could you just give us some reflections on the match, which was a bit of a roller coaster today.

CAROLINE GARCIA: Yeah. Obviously very happy with the win. Leylah is a tough opponent. She's young, but have already a lot of experience playing on big stadium and better ranked players.

I'm very happy with the performance of today. Obviously I would have been happy to take it in two, but you have to fight your way. Third set give me a lot of confidence.
