Q. I know it's a bit of a tough one, but I was wondering what you thought about some of the innovations, the opportunities to talk to your coach and some of the things like that.

LORENZO MUSETTI: About what? Sorry, I couldn't hear so good.

Q. I was wondering what you thought about some of the innovations like getting to talk to your coach, short warmup, that sort of stuff.

LORENZO MUSETTI: I mean, I didn't like so much the warmup for me because I think it's a little bit too fast. Tonight for me it was really difficult to find the rhythm and I didn't have any feelings about playing my game and with the forehand and with everything, I was always in a rush. But of course the coaching I think it's a good solution and I like that and I will push to put that also on the ATP Tour for me.
